Dear Burton CofE Primary School Anti-Bullying Ambassadors,

We are absolutely delighted to be writing to you today, to congratulate you on earning your Anti-Bullying Ambassador WELLBEING BADGE_

Through the evidence that you have provided, we have been impressed and overwhelmed to see how much hard work you have put into your anti-bullying campaigns since attending Anti-Bullying Ambassador. This achievement is a testament of how hard you work to provide support to your peers and encourage positive wellbeing in your school. We hope the whole team will be proud of this achievement.

You are being awarded the Anti-Bullying Ambassador Wellbeing Badge because you have shown:

1. Your commitment to ensuring students understand your anti-bullying message and how important it is to promote and protect each other's wellbeing through your brainstorm meetings.
2. Your creativity by creating friendship bracelets/bands which celebrated positive affirmations with 'One Kind Word'. This was seemingly a big hit across the entire school so well done!
3. Your dedication to ensuring student's voices are heard, through ensuring all ideas were youth-led and inspired by other young people across the school body such as feedback from The Big Assembly.
4. Your embedding of positive messages into the activities by encouraging messages to be read both indoors and outdoors such as the tree hangings and pebbles inside as displayed. It is wonderful to see Wellbeing being viewed as a constant part of school life with young people constantly reading them.
5. Your dedication to continue this legacy of Wellbeing by creating a Happy Hut for now and the future reinforces its importance to you as an entire school body, which is so inspiring to see!

A huge well done!

This achievement is as a celebration of all the creative and carefully considered actions that you have undertaken to decrease bullying behaviour and to encourage positive wellbeing in your school. Do make sure that you organise an assembly or event to announce your success and to celebrate with your whole school.

Going forward, we hope you will join us for the next stage in your Anti-Bullying Ambassador journey. Please see our website for more information about the other Anti-Bullying Ambassador Badges that you can earn. We will be in contact with you to organise your next catch-up, as this will be the perfect opportunity for you to discuss your progress and present your evidence for future badges.

We hope you will consider this huge mark of achievement and that you have pride and satisfaction in the knowledge that your commitment and dedication to Anti-Bullying work, is improving and benefiting the lives of those around you every day. We are incredibly proud and inspired by the work that you do every day.

Please expect your Wellbeing Badges in the post shortly; wear them with pride!
We look forward to staying in touch with you in the coming months.

Yours sincerely,
Imogen & Lily
