

Intent, Implementation and Impact in History for Burton C.E. Primary School

Intent	Implementation	Impact
As a school, it is our aim to instil a love of History in all our children. We work hard to provide an interesting and varied curriculum that interests and intrigues our children while meeting the needs of all backgrounds, cultures and abilities. From EYFS up to the end of KS2, the children will be taught about various historical events and famous historical figures, some of which have shaped the world today. Using The Collins Primary History Scheme as a focus. We will create every opportunity to link History to other subjects. Staff will follow their curriculum maps to ensure progression throughout the school	As a staff, we maintain strong links to the National Curriculum guidelines to ensure all aspects, knowledge and skills of History are being taught across all year groups. All staff will use assessment for learning to ensure all lessons are relevant and will help to plan for next steps. Through our teaching, historical artefacts and visits, we will endeavour to excite and intrigue our children to find out more about events and people from the past. We will develop deep subject knowledge and key skills while differentiating work for all abilities. We use pupil interviews to monitor understanding, knowledge and skills.	Children will enjoy History and look forward to finding out more. The children will be encouraged to research independently to further their own enjoyment and fascination about the topic or subject. Evidence of work will show a range of topics covered, cross curriculum links and differentiated work. Standards in History will be high and will match standards in other subjects such as English. Teacher judgements are discussed and moderated both internally and externally at subject cluster meetings with local schools. SLT are kept informed through
