

# Reading Champion Newsletter

#1 Christmas 2025

## Fundraising Success!

THANK YOU!

The Reading Champions had great fun spending over £1200 that has been raised by you and The Pop-Up Bookshop over the past year. The new books will be able to be borrowed after the Christmas holidays.

### All I Want...

Don't want new silk pyjamas  
A hamster or iguana  
A basketball, a pair of training shoes  
A skateboard, a computer  
A t-shirt or a scooter  
As all of them will leave me unamused

Don't want ten bars of chocolate  
A Star Wars Lego rocket  
A budgie, board game or a mountain bike  
A pair of purple wellies  
A pack of perfumed smellies  
These presents are not items that I'd like

What I want's packed with pages  
Will fill my time for ages  
You'll see it tops my wish list if you look  
It's bound to entertain me  
And make me much more brainy  
'Cos all I want for Christmas is...  
A BOOK!

The Christmas Holiday Reading Challenge can be found on the back of this Newsletter. Each entry will be rewarded with 10% off at the Pop-Up Bookshop and another prize! Can we beat our whole school record of just over 50% of children taking part?

### Thank you!

A big thank you to the Dean Family for purchasing the first book off our school wish list!

There is a queue of excited Y3&4 children waiting to read it, having shared the first in the series as a class read. The wishlist can be found here [Burton C of E Primary School | Pop-Up Bookshop](#)

Happy Christmas from all the Reading Champions!
