

Reading Champion Newsletter

#2 February 2026

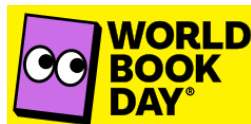

Book Nook News We have loved seeing so many children enjoying the Book Nook during lunchtimes. The Reading Champions have been a brilliant support, reading to children, recommending books and keeping the space tidy.

Don't forget that the Book Nook is open after school every Monday and Tuesday! Come along to share, choose or change a book.

Author Visit We are excited that the author Andy Seed will be visiting school to carry out workshops with every class after half term. This week in worship, the Reading Champions shared a sneak peek of the books he will be sharing with us. Please see the flyer the Pop Up Shop for more details.

Thursday 5th March

Once again, we will be giving each child a book for World Book Day. The Reading Champions have visited all the classes and children have made their choices. We can't wait for them to be delivered ready for March 5th!

The Half Term Reading Challenge can be found on the back of this Newsletter. Can we beat our whole school record of just over 50% of school taking part?
