Pop-Up Bookshop 10,000 Hours of Reading Challenge

Thank you to all those who took part in the Easter Challenge and have contributed to our amazing total of 591 hours and 50 minutes....we are over half way to our target hours! The Reading Champions have been busy keeping the running total of reading hours up to date. We are hoping that this half term's challenge will allow us to reach our ambitious target of 1000 hours of reading. Well-done to the children who read for the longest in their phase. They have been rewarded with a book from The Pop-Up Bookshop.

EYFS: Iris E

Year 1 and 2: Reggie B

Year 3 and 4: Scarlett P

Year 5 and 6: Ava C

We are very proud of how lovely our Book Nook is looking. Thank you to those Reading Champions who give up their lunchtimes to help keep it tidy. The Reading Champions are working on a new display...make sure you go and have a look! Will you be able to spot any books you have read?

Year 5 enjoyed a webinar with the children's author Katherine Rundell. We have a lot of her books available in the Book Nook.

Your child will be given a paper copy of the Half Term Reading Challenge. It is also available on the school website. Entries are due back in school by Weds 3rd June. Can we reach 1000 hours of reading?
