

Burton Bulletin

A couple of important items to note:

Ofsted

This afternoon you have received an email containing a letter from Ofsted confirming that they are visiting us for an inspection tomorrow and Wednesday.

There is a link in the letter for a survey for parents/carers to give feedback. We would like to encourage as many families as possible to complete the survey.

The link is also here:

<https://parentview.ofsted.gov.uk>.

Parents Evenings

We are pleased to advise two parents evenings later in this half term:

Wednesday 11th February – 3.30 until 5.30pm

Virtual Parents Evening (online)

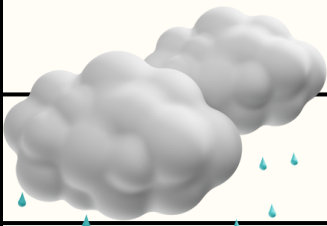

Thursday 12th February – 3.30 until 7.00pm

Face to Face Parents Evening

We will issue a letter with further details very soon.

A very big thank you!

We would like to thank all of the 'people that help us' that have visited school to speak to our lovely Reception children about their jobs. The children loved seeing First Connection Electricals, Grant the Paramedic and PC Lillywhite and his colleague, and they looked incredible in their costumes.

Please be mindful of residents when parking around school. People need to be able to safely move their vehicles on and off their driveways at all times. There have been times recently when the residents of Park Close have had their driveways blocked. Where possible please park slightly further away from school and walk up.

We are really grateful for the support that we receive from the local community and it is important we work together to reflect that.

The PE days for each class are listed on the website under the 'Children' tab and then listed by year group.

CALLING ALL ARTISTS!

With the start of a new year comes the promise of new and exciting whole school art and design projects with 2026 being no exception! This year, our art and design project is updating the mural in the Key Stage 2 playground, and who better to design this than the children themselves.

We would like the children to design a new mural. Drawn ideas to be as creative and unique as possible and ideas could include:

- School logo
- Our Christian Vision
- Our Christian Values and corresponding Bible stories
- Spirituality concepts
- Our school Bible verse: "That they may have life; life in all its fullness" (John 10:10).
- Our Global Link school – Kismatui Primary School in Tanzania (Africa)
- Saint Luke's Church
- Images of what makes Burton School special to you.

For further ideas, please click [here](#)

There will be prizes for all creative ideas used in the mural.

Please could all designs be completed on the attached template by Friday 6th February 2026, and given to Mrs Castro in Swans' class. Once designs have been decided, the next phase of this whole school project will be creating it! More details to follow.....
